## PROFILE

Completed Java Full Stack training with hands-on experience in technologies like Spring Boot, Hibernate, SQL, and front-end development. Looking for opportunities to begin my career in software development.

## SKILLS

### Programming Languages

Java

### Web Technologies

HTML, CSS, JavaScript

### Frameworks

Spring Boot, Spring MVC, Hibernate

### Databases

SQL, MySQL Workbench

### Tools & Platforms

Eclipse, VS Code, MySQL Workbench

## PROJECT

### Ecommerce Website

**Technologies:** Java, Spring Boot, Hibernate, MySQL, HTML, CSS.

**Tools:** Eclipse IDE and MySQL workbench.

- Developed a full-fledged e-commerce platform supporting product listings, user authentication, and secure payment processing.
- Implemented a robust backend using Spring Boot and Hibernate for data management.
- Designed a responsive user interface with HTML, CSS, and JavaScript.
- Integrated MySQL for efficient database management and optimized query performance.

## EDUCATION

### Bachelor Of Engineering,

Electronics and communication engineering  
sri venkateshwara college of engineering  
CGPA - 7.56

06/2020 – 06/2024 | Bengaluru, India

## INTERNSHIP

### Mifratech private limited, Intern

08/2023 – 09/2023 | Bengaluru, India

- Developed and implemented IoT devices using microcontrollers such as Arduino and Raspberry Pi.
- Integrated motion, temperature, and humidity sensors for real-time data processing and collection.
- Designed intelligent solutions, including home automation and environmental monitoring systems.
- Gained hands-on experience in device connectivity, system optimization, and IoT protocols.

## COURSE

### Java full stack development course,

Jspiders Training & Development Center

09/2024 – 04/2025 | Bengaluru, India

- Experienced in full-stack Java development, proficient in building both client-side and server-side components of web applications using Java, along with expertise in HTML, CSS, JavaScript, and frameworks such as Spring Boot.

## CERTIFICATES

### Applied Cloud Computing for Software Development

Microsoft & SAP | Nov 2023

### DSA, CN, Competitive Programming

Tech Analogy | Dec 2022

## LANGUAGES

- English
- Hindi
- Kannada
